Application Process

Note > NEW MEMBERS: SEEKING A GALWAY BAY HANDICAP

1. If you currently have a handicap with another club, please ask your previous club to provide a signed and dated handicap certificate confirming the handicap has been maintained in accordance with CONGUÒ requirements and Bay a copy of your handicap record for the previous two years The original certificate should be dropped into the scorecard letter box marked for the Handicap Secretary's attention. Note that a Golfnet certificate is not sufficient. *Your previous club is obliged to send Galway Bay a copy of your handicap record for the previous two years; it would help administration if this can be obtained and submitted with the certificate to avoid us having to request it later.*
2. For those of you that don't have a handicap, you must play three full rounds with an existing member of the men's club, record your scores, have the existing member countersign your card and then please mark the top of the card " FOR HANDICAP PURPOSES ONLY ", drop the card thru the scorecards letter box in the men's club office for the attention of the Handicap Secretary. Don't forget to record the date you played on each card (all cards for handicap purposes must be within 6 months of applying for the handicap). If you do not know an existing member please contact the Hon Secretary and we will arrange a meet and greet with existing members in order for you to complete your three rounds.
3. If you have any queries, please email them directly to Hon Secretary at: honsec@galwaybaygolfresortmembers.com
